CSR Source - Josef REIF

1. While reviewing the Czech Desk defector files, it was found that this desk had overlooked forwarding photographs of the Source's documents to KURIOT.

2. The attached enclosure, therefore, contains two photographs of each of the Source's documents along with other items, concerning this case, which it is believed will be of interest to the Czech Desk at KURIOT. It is hoped the enclosures will serve to complete your files on Source.
